

**Instructions:** Copy word sort cards onto cardstock (preferably white). Laminate and cut out cards. Print off label template (included) onto **AVERY 8195**. Word cards can be sorted into library pockets or snack size zip-lock baggies. Label each library pocket or zip-lock baggie with the printed labels. Place word cards into the corresponding library pocket. We suggest you separate each word sort section using tabbed **dividers** of colored cardstock. Organize pockets behind appropriate section divider & place in a container.
