LAYING THE GROUNDWORK FOR WRITING

Adapted from <http://fisherandfrey.com/resources/>

The background is a solid dark red color. In the four corners, there are decorative elements consisting of thin, light red lines that resemble circuit traces or a stylized network. These lines connect to small, empty circles, creating a geometric pattern that frames the central text.

THE NEXT STEP...modeling drafting

USING AN ORGANIZER TO WRITE ABOUT INFORMATIONAL TEXT

1. Use a document camera, the Organizer & Frame (see examples below) to model drafting *in front of students*.
2. Follow “frame” format
 - Note: the frame is just an example; feel free to change, add-to, subtract-from, etc. with your grade level in mind.

3. Interactively, generate phrases. Students “copycat” your writing on their papers.

- *This is important scaffolding for those who struggle composing written language.*

4. Be explicit, but be sure to be interactive!

5. Lead students in chorally reading & re-reading what has been written.

NARRATIVE SUMMARY FRAME

Example:

This ____genre/story is about... _____(*main character*) and takes place in...____(*time/place*). The conflict (is/begins).....

But, ____(*turning point*)____. The story ends with ____(*resolution*)____.

The author uses this story to tell us that ____(*theme*)____. In my opinion, the author is correct/not correct, because.....

INFORMATIONAL FRAME...

Example:

This non-fiction text is about _____ topic _____. The
author wants us to know that _____ **author's purpose** _____.

First, the author told us _____ main idea _____ + _____ detail _____.

Next, we learned that _____ main idea _____ + _____ detail _____.

Lastly, the author explained _____ main idea _____ + _____ detail _____.

I agree/don't agree with the author about _____ author's
purpose _____ because..... In fact, I would/would not recommend this

The background is a solid dark red color. In the four corners, there are decorative elements consisting of thin, light red lines that resemble circuit traces or a stylized tree structure. These lines branch out and end in small circles. The top-left and bottom-left corners have more complex, dense branching patterns, while the top-right and bottom-right corners have simpler, more linear patterns.
